Questions about the vision of the Joint Trust

6. With our partners our **Vision is** to provide first class community based education for all learners.

As a Trust we aim to:

Royds Hall High School serves a richly diverse community. It has developed an ethos that places a high emphasis on values and attitudes which are embedded in the Co-operative values of self-help, self responsibility, democracy, equality, solidarity, openness, social responsibility and caring for others. A central aim of the trust is to secure this ethos for future generations as part of its succession planning. The trust aims to work closely with the community to help raise aspiration and contribute fully to the life of the community. Trust status should further help the school to raise attainment and develop knowledge and skills for the young people in its care.

Are you happy with the vision of the Joint Trust?	Yes/No
I do not think should be a priority because	
I would like to see included in the school's vision
