# Statutory Guidance

The Personal Development (PD) curriculum at Royds Hall Academy is designed to allow students to develop the knowledge and skills, to enable them to lead happy and successful lives and make a positive contribution to society. Through the PD curriculum, students are given the knowledge and opportunities to become responsible, respectful, and active citizens and become actively involved in public life as adults.

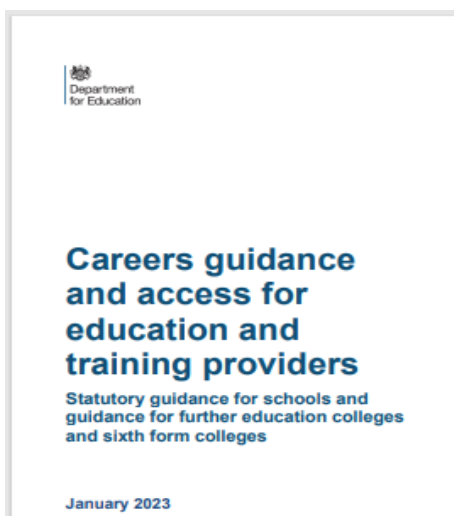

The PD curriculum covers all areas of the RSE guidance, local SACRE guidance, the Gatsby Benchmarks, the Citizenship National Curriculum, British Values, and the Character Education framework. For more details about these DfE documents, click on the links below:
