

4th June 2024

Dear Parent/Carer,

Home- School Communication at Royds Hall Academy

I am writing to provide some updates on how we will communicate with you regarding your child's attendance and behaviour in school.

Class Charts and Arbor

At Royds Hall we have been using a website called Classcharts to record student homework, student achievement points and to celebrate success. This information was sent to parents/carers via email/the Classcharts app.

From Wednesday 5th June, we are moving to a new system called Arbor for recording attendance and behaviour/achievement points. Arbor will send parents/carers email alerts as Classcharts did, so you are aware of any detentions etc. Later this week, we will also be issuing Arbor log in details so you can access the Arbor website and app to view your child's attendance and behaviour profile, as you did through Classcharts.

If your email address has changed or you have not previously provided us with one, please let us know via royds.office@sharemat.co.uk to ensure that we can keep you up to date with information regarding your child.

If you require any further information, please do not hesitate to contact school. Should you require this information in an alternative format, please contact royds.office@sharemat.co.uk.

Yours faithfully

E. Devane
