Dear Parents/Carers

Year 6 to 7 Students Access to Kooth

As your child prepares to move from Year 6 to Year 7, we understand that this transition can feel both exciting and a little overwhelming for both students and families. Starting high school is a big step, new teachers, new friends, and a new environment and it's completely natural for children and parents to feel anxious about the change.

To support you and your child during this time, our Wellbeing provision works closely with KOOOTH, a trusted agency that provides excellent mental health and wellbeing resources for young people. KOOOTH has shared a series of short, engaging videos designed specifically to help students understand what to expect and how to manage any worries they may have about starting high school. We encourage you and your child to watch these videos together.

You can access these videos here:

Please remember, you are not alone on this journey. We are here to support students every step of the way. If your child ever feels anxious or overwhelmed, please do not hesitate to contact us at school or you can contact KOOOTH directly for confidential support.

We look forward to welcoming your child into Year 7 and working together to make this transition a happy and successful one.

Kindest regards
