

16th April 2021

Dear Parent/Carer

Date change for planned Inset Day 2021

I hope this letter finds you and your family well.

We have had a positive return to school following the Easter Break and the atmosphere around school is energetic, vibrant and focused which is brilliant to see. Visiting the lessons has been an absolute pleasure and students are working hard in their lessons.

When the term dates were set eighteen months ago, we had not anticipated the impact of the global pandemic due to the Coronavirus, the lockdowns, or the huge changes it would have for the Year 11 students in receiving their GCSE Grades.

As a result of the upheaval and the need to prioritise lesson time for all students, we have made the decision to re arrange the inset day from Friday 14th May 2021 to **Friday 25th June 2021**.

I am hoping that you will find the change more favorable for families as we expect to see further reductions in lockdown measures by the time the new inset date arrives in June.

I understand that this change is sent with relatively short notice, however, I would like to thank you for your understanding that we must make plans that will be most supportive for our students.

Thank you

Yours sincerely

J Carr
