Year 6 SATs tests

Next week our year 6 children will sit their statutory assessments in reading, writing, maths and science. They have worked hard all year and we wish them all good luck in showing what they can do next week!

Speedmark Sponsored Event

You should have received a Speedmark sponsor form this week from your child/children. This is an event we have

run before which has been a great success and thoroughly enjoyed by all the children.

The event involves each child having 3 shots at a goal and the radar measured the speeds of the shot to see who is fastest. We wish all the money raised to be donated to the Forget Me Not Children's Hospice as it is a local charity which does amazing work. <http://www.forgetmenotchild.co.uk/>

All children were reminded in assembly that we do not ask strangers to sponsor.

Do you know...

...what rewards we have in school?

Our reward system is based around the Muppets.

Kermit the frog—we receive these for being good all day “it’s good to be green”

Amazing **Animal**—2 people from each class get chosen for being amazing.

Fozzy Bear - these are given if we are seen doing something well.

Chef—We get the chef tickets for being good at lunchtimes

Sometimes it’s good to be a Muppet!

Naming Clothes

Could you please make sure children's names are in their clothing.

In Nursery and Reception could shoes also be named as children do change into wellies during the session and they are not always sure which are their shoes—or they may see some they would prefer!

Parents Forum

Just a reminder that parents forum is next week. This is an opportunity to discuss how parents can help support school.

Please come along.

Tuesday 13th May
