Dear Parent/Carers,

You will be aware that we have been without a key member of staff in school since one of our assistant headteachers left some time ago. I am very pleased to say that Ms Aston will be joining us on secondment from Whitehill Primary Academy in Halifax to enhance our Senior Management Team. This means the Senior Management Team will now include myself, Mrs Sinclair (Assistant Headteacher), Ms Aston (Assistant Headteacher) and Miss Crompton (Senior Teacher and Additional Needs Coordinator).

Mrs Palmer

Our trip to Winmarleigh Hall.

On the 22nd May my class (6C) went on a residential trip to Winmarleigh Hall, this was a treat for all our hard work this year and also to learn how to work as a team.

We took part in a number of activities including orienteering where we had a map and had to find letters. When we got to the first checkpoint, Deneio accidentally jumped into some nettles! On our first night we played Ambush (a giant game of hide and seek). We had to put on camouflage face paint and had to put cones down as we were walking through the forest, then find a suitable place to hide from the other team. Once a team member had been found the opposite team had to shout "AMBUSH!"

Our first activity on Friday after breakfast was archery; I couldn't wait to try this. Before we could have a go, we had to watch the instructor carefully. This can be quite dangerous because you have to fire arrows onto a target board. Eventually we were allowed to take part, and after my second attempt I got a bull's eye. We also had a go at fencing.

Over all I think this residential was fabulous, it taught us to work as a team (which sometimes we find difficult to do). It helped to build my confidence and self-esteem and I would recommend a visit to anyone who wants to challenge themselves and conquer their fears. I would also like to say thank you to the By & Buy Shop who gave us a large contribution to help pay for the trip!

Class Photos

Class photographs will take place on Thursday morning. If your child does not attend nursery on Thursday morning but you would like them to be on the class photograph please bring them to the hall for 9.15am.

Class 1/2M Class Photo

1/2M are going on their class trip on the same day. Please can they come into school via the main entrance at 8.45am for their photograph. This will allow them to get away on their trip to The Deep at 9am .

+Do you know...

... what the Rainbow Room is?

Over half term the staff room transformed into the Rainbow Room. This is a room for children to come for help with their learning and in difficult times.

If any parents would like any help or a friendly conversation about managing behaviour at home, you can find Mrs Williamson here. Or please leave your name and number at the office and she will contact you.
