Our TQIO (Transformation, Quality and Improvement officer) visited school this week. She had a look around school and visited classes, and then spent the morning with Mrs Palmer looking at children's work. She also discussed the school action plans and recent improvements. We received very positive feedback and she was happy that the children are making appropriate progress in lessons.

### **University Visit**

On Tuesday Maisie and I visited Sheffield University on a science day. When we got there we saw a beautiful stream on the wall, patterned with mosaic squares. After getting a coke in the cafeteria we had a tour round the university and then we went to a science room .

We did an experiment using jelly worm sweets, rulers and stop clocks. We had to measure the worms, stretch them and then eat them. That was really fun. Next we went into another science room and made lemon bath bombs. It was so awesome. After lunch we came back home.

I learnt a lot at Sheffield university and it was a lot of fun making the bath bombs.

Science is fun!

### **Anti-bullying week**

This year's anti-bullying week had a focus on SEND (Special Educational Needs and Disabilities) . All classes took part in lessons about what bullying is and how to deal with bullying situations. For more information about our provision for children with SEND please see our website.

### **Do you know about... Survival School ?**

Year 4 are taking part in Survival School on Monday afternoons. We have been learning how to build a shelter and thinking about why we would need shelter. We know that to build a shelter using natural resources we need thick strong branches for the ribs to support the structure, smaller bendy twigs for connectors and grass and leaves so that we can waterproof the roof.

## CHILDREN IN NEED

Thank you for all your kind donations last week. Thanks to you we were able to raise £214.

It was also a very special day in Early Years where they enjoyed dressing up with a Prince and Princess theme.

## Congratulations!

Mrs Liles, our ETA in Y6, had a nice surprise in assembly yesterday. To celebrate her 25 years working at Beech School she was presented with some presents to say thank you for all her hard work.

## Attendance

Our target is to have higher than 97% attendance in every class. Well done to 4N for last week.
